---

## Objective

A passionate and detail-oriented professional with hands-on experience in HTML, CSS, JavaScript, and React, seeking to transition into a front-end developer role. Leveraging a background in UX design projects and strong problem-solving skills, I aim to contribute to the development of dynamic and user-friendly web applications.

---

## Education

### Bachelor of Arts in Communication / Minor in Psychology

University of California San Diego, San Diego, CA, June 2021

## Certifications

### Meta Front-End Developer Certificate

Coursera, 2024

### Google UX Design Specialization Certificate

Coursera, 2023

---

## Projects

### Restaurant Reservation Website

*Personal Project, 2024*

- Developed restaurant reservation website using HTML, CSS, and JavaScript.
- Designed an intuitive user interface to allow users to easily book reservations.
- Implemented responsive design principles to ensure functionality across various devices.

### Flower Shop App

*Personal & University Project, 2023*

- Designed an app for immigrants and international students to provide a comprehensive information and communication platform.
- Enhanced user experience using Adobe XD, involving sketching, wireframing, prototyping, and user testing.
- Conducted user research with a focus group of 6 participants, leading to a 25% NPS increase.

### Cultural Connection Platform

*Personal & University Project, 2023*

- Created a floral subscription system for flower lovers.
- Designed the user journey using Figma, involving sketching, wireframing, prototyping, and user testing.

- Conducted research with a focus group of 5 individuals, resulting in a 20% increase in user satisfaction.
  - Managed the project development framework, ensuring efficient and high-quality results within one month.
- 

## **Work Experience**

### **Associate Banker**

East West Bank, Fremont, CA,  
October 2022 - February 2023

- Reviewed transaction documents and delivered personalized banking services.
- Enhanced workflow efficiency and promoted team collaboration to ensure user satisfaction.

### **Substitute Teacher's Aide**

ChildCare Careers, East Bay, CA, November  
2021 - October 2022

- Facilitated activities for groups of up to 30 individuals, ensuring a positive learning environment.
- Demonstrated strong conflict resolution and collaborative skills, leading to a 50% increase in participation.
